

## **Dr Sam 420 Medical Disclaimer**

The information provided on this website is for general informational purposes only and is not intended to serve as medical advice, diagnosis, or treatment. Always seek the advice of a qualified physician with any questions you may have regarding a medical condition or treatment, including the use of medical marijuana.

Medical marijuana laws vary by state and country, and it is your responsibility to comply with all applicable legal and regulatory requirements. The content on this website/email should not be interpreted as a recommendation or endorsement for any specific product, treatment, or course of action.

## **Disclaimer of Liability**

This website and its authors assume no responsibility for any reliance on the information provided herein. The use of medical marijuana carries potential risks, and individuals are advised to consult a licensed healthcare professional to understand these risks fully before use. Any reliance on the information provided is solely at your own risk. You should continue to discuss these treatment options with your primary care physician or physician specialists regarding acute or chronic medical conditions. None of the information provided is peer reviewed.

## **FDA Disclaimer**

The products or statements made about medical marijuana on this website have not been evaluated by the U.S. Food and Drug Administration (FDA) and are not intended to diagnose, treat, cure, or prevent any disease.

By using this website and this information, you acknowledge and agree to the terms of this disclaimer.
